

IT IS VERY IMPORTANT FOR OUR CHILDREN'S SAFETY THAT EVERYONE FOLLOW THE PROCEDURES EXPLAINED IN THE LETTER ON THE REVERSE SIDE OF THIS MAP.

DO NOT DROP STUDENTS OFF NEAR THE CAFETERIA. (No exceptions.)

- ❖ ENTER the drive in front of Smith Middle School.
- ❖ Follow the drive and pull forward until you reach the DROP OFF POINT.
 - Form a single line and remain in your car. Either an adult or school patrol will assist your child.
 - DO NOT CUT THROUGH THE PARKING LOT TO GET TO THE DROP-OFF/PICK-UP LINE. This is a safety issue for students, parents, and staff.
 - You MAY NOT drop off your child in the parking lot or cut around other cars to drop off at the office.
 - You MAY NOT wait at the exit gate to pick up your child in the afternoon.
- ❖ DO NOT park along the wooden fence near Citrus Point Drive. This blocks the driveway and slows down traffic at arrival and dismissal.
- ❖ EXIT near the center of the parking area, and follow Citrus Point Road to either the north (Gunn Highway) or south on Citrus Point Road.

If your child will be riding the bus this year, we recommend that you allow them to ride beginning the first morning. This helps reduce confusion for both the teachers and your child.
